When Quality Is Paramount...

Only three years young, this former Mirko display home is sure to impress! Showcasing elegant interiors, a sensational kitchen with butler's pantry, and gorgeous alfresco zones, you'll fall in love with the effortless lifestyle this quality home offers!

This fabulous location places everything you could possibly need right at your fingertips. A brief 10-minute stroll will find you shopping at the Gateway Plaza, connecting with nature at the Gateway Sanctuary, or breaking a sweat at the nearby sporting grounds. With the Leopold Primary School and public transport mere moments from the front door, families are well catered for.

Square-set ceilings, feature wallpaper, and a soothing colour palette enhance the contemporary, yet timeless interiors.

Zoned to the rear of the home, the private Master Bedroom features a walk-through robe and en suite with large semi-frameless shower. Two additional bedrooms with built-in robes are situated at the front of the home and share easy access to the main bathroom and study.
