## A must for First-Timers and Down-Sizers

Only this close to our beautiful coast, can you really experience the sea haze. At 22 Seahaze Drive you will do just that while enjoying your morning walk on pristine Whites Beach, less than a kilometre and a 10 minute walk from your door.

Entering through a foyer, dining and kitchen area laid with large floor tiles, the family area is well lit with natural light, from its northern aspect. The spacious kitchen is fitted with stainless steel Kleenmaid oven, cooktop and exhaust fan, while its dishwasher is fitted beneath a warm grey, stone-look laminated benchtop. The lounge to the right is carpeted, as are all three bedrooms. Heating is supplied through a vertical Vulcan wall unit. The master bedroom boasts a walk-in/walk-through robe leading to a double access bathroom. Neutral in its tones, the bathroom has separate bath and shower, with flickmixers on plumbing. Hot water service is via a very practical Rinnai Instant heat system. The toilet has an ample sized room all to itself. The additional two bedrooms have built-in floor to ceiling robes with their own shelving. A large laundry with a full wall of storage/cupboards

**Price:** \$549,000  
**Property Type:** House  
**Land:** 320 m2
