## Brand New Starter or Downsize

There's nothing quite like the perfection of a brand new home. The smell, the pristine condition and the ability to make it your own. If you're looking for that perfect downsize or first home, and love the relaxed semi-rural ambiance of Drysdale, why not treat yourself to this inviting, low maintenance home with lots of quality upgrades.

Set in a boutique neighbourhood rich with wetlands, walking trails and a playground, this home is just a short walk from every convenience in the town centre. It's also within easy reach of the beaches, wineries and restaurants The Bellarine is renowned for.

The design ticks all the boxes. Three bedrooms, master with en suite, kitchen with walk-in pantry, quality appliances, Caesarstone to kitchen and bathrooms and zoned climate control.

The open plan kitchen/living hub shines with bright triple aspect at the rear, and extends to a spacious entertaining patio. Caesarstone benches blend beautifully with porcelain splash backs, and the Tisira (Ariston) and Omega branded appliances are a boon. Dine indoors
