### Contemporary Masterpiece

This contemporary masterpiece is a secluded retreat surrounded by 1.6 acres of native bush with stunning ocean views. Showcasing modern design elements blended with a timeless aesthetic, this home is a unique and dynamic Aireys Inlet offering.

The expansive open plan living, kitchen and dining area provides the backdrop to enjoy the spectacular views. This is an effortless living zone and a wonderful space to entertain family and friends.

Whether you follow the sun or seek refuge in the shade, the multiple outdoor living spaces offer a range of options. The passive climate control makes this a home for all seasons.
