"Collendina Classic" - Sold 'Off Market'

Within a short stroll to the beach, this Collendina Classic was so highly sought-after it did not get a chance to be advertised for sale online. Sold 'off market' for a top of the range price, this well cared for family holiday home is now ready to be loved as a permanent home for the new lucky owners.

The open design allows beautiful north sun to filter through most rooms of the house and the lovely vaulted ceiling in the living room gives architectural appeal. A neat and tidy low maintenance garden and tempting green lawn are perfect for that backyard cricket match!
