Coastal Townhouse Living

Spread over two levels the home is designed for easy coastal living. Light filled, open plan living, with great rear yard and easy access for beach toys are just a few features of the property. A great location further adds to the appeal.

Downstairs an inviting entrance features a practical tiled floor, perfect for sandy feet returning from the beach, and stairs leading to the second level. Two good sized bedrooms, full bathroom, and laundry complete the downstairs area.

Price: \$699,000
