Something For Everyone!

Welcome home to spacious single level living where attention to detail has produced a super functional and quality built home. Only four years old and so meticulously maintained that it feels brand new, this is the quintessential move in and start living.

Zoned climate control, walk-in linen storage and the large laundry add a touch of practicality, while the extra ceiling height, tranquil d?cor and stone bench tops throughout add a touch of comfort and class.

Make the most of the Torquay North lifestyle with its modern facilities including shops, schools and daycares while only being a short distance to beaches, parks and playgrounds too. Good looking and ultra practical, this is contemporary coastal living at its best.
