Timeless Beauty

This original Dennehy built brick and tile home is heart filled and shines with a touch of elegance and sophisticated retro style. Loved and looked after by the same family since new, its sizeable allotment and quiet court location add to its appeal.

An allotment of this size is becoming an increasingly rare find and with 674m² (approx) to play with there is scope to extend the current footprint (STCA) if required.

This property is peacefully tucked away in increasingly popular Wombah Park, and it is surrounded by equally well presented homes. With such close proximity to stunning beaches and nature filled Deep Creek Reserve coastal living does not get much better than this.

Price: \$829,000
