Old Ocean Grove Beauty

Flooded with natural light due to an abundance of glass, this bright beachside getaway is the perfect entry-level or holiday home in the coastal town of Ocean Grove. Set to grab the attention of first-home buyers or investors with four good-size bedrooms and appealing land size.

The sleeping quarters for the children sits at the front of the property with a central bathroom and separate toilet. An oversized sliding door sections this area off from the rest of the house. Such a perk when the adults wish to stay up and get rowdy!

Venture downstairs to the recently renovated addition that consists of a second lounge, laundry and master suite with an extensive built-in robe and hotel-style bathroom.

Price: \$650,000-\$690,000
