Oasis In The Church Estate

Perfectly timed for summer fun, this light and airy home has a laid back coastal vibe with a décor that combines crisp whites with the warmth of solid wood flooring and soaring timber lined ceilings. Lots of glazing lets the light pour in and allows for an effortless flow to outdoor living.

Outside is for winding down and relaxing with undercover dining, sunny sheltered decks and a low maintenance garden. A freestanding workshop/studio is an added bonus.

The generous 673m² (approx) site offers potential to extend the footprint if needed and spectacular views are a possibility with the addition of a second storey (all STCA).

Price: \$840,000-\$870,000
