'CARINYA' - A Rare Opportunity

Outdoors, lovingly nurtured established gardens attract prolific birdlife and the orchard and vegetable gardens provide an abundance of produce throughout the year. Grey water irrigation enhances the sustainability while the extensive water catchment is a bonus.

The 63.42 hectare/157 acre (approx) productive property includes cattle yards and sheds for machinery, wool and hay. A tree lined creek meanders through 24 grazing paddocks with a central laneway, and provides shaded picnic and camping spots.

Note: Photo id with current address must be provided at all open for inspections due to Covid 19 restrictions.

Price: SOLD PRIOR TO AUCTION
