Views, Location And Lifestyle

Downstairs highlights include a second living area (currently configured as a 4th bedroom), which opens on to a hardwood deck. Two generous bedrooms with built in robes; a family sized bathroom with separate bath and shower; plus a good sized laundry complete the floor plan. There is plentiful storage throughout the home and in the double garage with internal access and roller door through to the rear. A private fully fenced low maintenance garden enjoys a northerly aspect.

Price: \$1,150,000
