Central Entertainer In Old Grove

Enveloping a north-facing paved entertainment zone, this architecturally designed split level home bursts with character and offers interesting features at every turn. Families will love the abundance of natural light, well-sized bedrooms, contemporary kitchen and plentiful storage options throughout, as well as its fabulous location in Old Ocean Grove, just a short stroll to the local primary school, tranquil Blue Waters Lake and the bustling Terrace shops and cafes.

Warm hardwood timber flooring and timber-framed windows give the home an organic feel, with highlight windows allowing light to flood in. A sitting room towards the front of the home offers a pleasant retreat, while the kitchen, primary living space and adjoining central courtyard is where all the action happens.
