

181 The Esplanade INDENTED HEAD, VIC

Imagine The Possibilities

An exciting opportunity to take this property to the next level. All the right ingredients are here to create a spectacular harbour side home, and with an allotment of 1,361m² (approx) to play with, the possibilities are endless.

The most potential filled aspect of this property is its generous allotment. The dual street frontage makes it ripe for subdivision (STCA). Alternatively land bank for future gain, or start again with a grand design that maximises the stunning views.

Positioned directly opposite the beach, with instant access to walking tracks, the location is more than desirable. You will enjoy effortless and family friendly swimming, picnics and leisurely strolls along the foreshore whenever it suits. Port Arlington ferries to Melbourne and a 30 minute commute to Geelong are a bonus, as is being so close to ocean beach.
