The Height Of Fine Family Living!

If style and quality are paramount in your next home, look no further than this stunning family residence!

The kitchen is a dream come true with stone waterfall benchtops, a large walk-in pantry and ILVE stainless steel appliances (dishwasher, built-in microwave, 900mm cooking appliances). Pendant lights make a chic statement above both the breakfast bar and dining area.

The spacious main bedroom creates a heavenly retreat for parents. The walk-in robe and dressing room are wonderfully generous, while the en suite showcases a large shower and dual vanity.

Three additional bedrooms with built-in robes share close access to the main bathroom, while the study is ideal for students or those still working from home. The laundry and separ
