Incredible Family Friendly Location

On a large allotment of nearly 850 sqm, the large rear yard has potential for subdivision (STCA) - neighbours have done similar - or just keep it as a great private play space for the kids and build some veggie patches. A tandem DLUG with workshop at the rear, plus three undercover car spaces in the carport are extra benefits that make this property so practical in its current format.

Price: \$1,200,000 - \$1,290,000
Property Type: House
Land: 850 m2
