Your own Private Oasis!

Drive through your gates to the feeling of privacy, home and relaxation. The moment you drive through the gates of this beautiful home you will feel the serenity.

The kitchen, bathroom, and laundry have all been beautifully renovated. Plus, the north-facing backyard will delight those who are seeking low-maintenance living without compromising on outdoor space!

The kitchen exudes style with stone & timber benchtops and a black glass splash back. The built-in pantry provides storage, while stainless steel appliances include a dishwasher, Westinghouse oven, gas hob, rangehood.

The laundry and separate toilet complete the lower level.

Upstairs is home to three bedrooms (two with built-in robes, one with walk-in robe) and a stunning bathroom. Graced with a freestanding tub, open shower, dual vanity, and toilet, t
